

ALLONE MOBILE

What do you get by providing AllOne MobileSM to employees?

PROOF THAT YOU'RE COMMITTED TO THEIR HEALTH AND WELL-BEING.

AllOne Mobile is a powerful, compelling service that sets employers apart from their competitors. As a low-cost addition to most benefit plans, it proves your commitment to the health and well-being of your most valued resources—your employees—and their families.

CUSTOMIZABLE SOLUTIONS AND FEATURES FOR DIFFERENT BUSINESS UNITS.

Timely, personalized messages can be targeted to individual employees and to employees with specific health issues or concerns (such as those with asthma). Topics include:

- *Reminders about prescriptions that have gone unfilled*
- *Alerts about pending or missed health appointments*
- *Personalized tips to better manage chronic conditions*
- *Wellness messages from health coaches*
- *Notifications of new programs and services*

Additionally, AllOne Mobile lets you meet the needs of your employees—and your brand—with a customizable look to fit your specific requirements.

A WAY TO HELP CONTROL RISING HEALTH CARE COSTS.

Medical providers make faster diagnoses and care decisions when they have the most timely and most accurate information, and can avoid unnecessary or duplicative testing and procedures. Cumulatively, this helps to control

health care utilization costs, employee costs and premiums. Equally important, AllOne Mobile helps employees proactively manage their health with secure, easy access to information that supports prevention and with timely, effective management of chronic issues.

AllOne Mobile uses state-of-the-art mobile technology that is secured by Diversinet®, a leading provider of wireless security applications.
